### SOLUTION CHALLENGE 2022 FINALIST

Google Developers Student Club | 2022

Solution Challenge is an annual event hosted by Google. This is a global event which is for all the GDSCs around the club. The objective of this event is to develop a project that solves one of the 17 UN Sustainable Development Goals. Our club participated in Google Solution Challenge 2022 and we build a mobile application which was a solution of a neglected problem, Dyslexia. Our club was shortlisted in top 50 finalists from all around the globe for this project. I was the Flutter Lead in this project. I was working mainly on the front end of the application and was helping other developers as well.
